Heutzutage ist Bungee-Jumping die beliebteste Extremsportart auf der ganzen Welt. Jedoch gibt es auch einige Sicherheitshinweise, die man unbedingt beachten sollte. In erster Linie spielt die richtige Ausrüstung eine große Rolle: Zu jedem Sprung gehören spezielle Bungee-Seile, Klettergurte und Helme. Auch ist es wichtig, dass man keine zu lockere Kleidung trägt, denn zum Beispiel Röcke oder Kleider können Probleme mit dem Seil verursachen. Zudem ist es wichtig, den Anweisungen des Bungee-Lehrers genau zu folgen. Er wird beispielsweise die Anweisung geben, den Arm vor das Gesicht zu halten, damit man nicht vom Seil getroffen wird oder damit sich das Seil nicht um den Hals wickelt. Für Menschen mit gesundheitlichen Einschränkungen, wie zum Beispiel Rückenverletzungen, kann Bungee-Jumping gefährlich sein. Auch schwangere Frauen sollten auf Bungee-Jumping lieber verzichten. Schließlich sollten drei weitere Ratschläge auf jeden Fall beachtet werden: Man sollte vor dem Sprung nicht zu viel essen, da der Sprung auf den Magen schlagen kann. Außerdem sollte man Brillen und Schmuck vorher ablegen sowie Kontaktlinsen entfernen. Zuletzt sollte man keine wertvollen Gegenstände bei sich haben, da diese während des Sprungs herausfallen können.

Online review: Miller's Alpaca Farm

On my trip to New Zealand I visited Miller's Alpaca Farm. I liked it a lot because their alpacas feel so soft and look absolutely cute. The tour guide was really friendly and we got some interesting information. Actually, it was quite expensive but worth every penny. If you like knitting, you can also visit a knitting workshop there. Of course, there is an opportunity to take photos as well. As a souvenir, you can buy wool or sweaters. Last but not least, it's good to know that you can only visit the farm if you have booked in advance. Well, now go and book your first visit on Miller's Alpaca Farm. It'll be a great experience.

Dear Mr. Dylan,

my name is Max, I'm 16 years old and a few weeks ago I registered for the test training in your rugby club. The test training took place yesterday afternoon, but unfortunately I couldn't come. I'm really sorry that I didn't join you. Unfortunately, I had to go to the hospital because I hurt my arm during our sports lesson at school that morning. I got an X-ray and was really happy when the doctor told me that it wasn't anything serious.

I'm actually very interested in rugby because I used to play it with my father when I was younger. It was just for fun but I really loved it and I would like to start playing again.

Now I would like to know if there is any possibility to get a new chance for taking part in the test training. Please reply as soon as possible. I would be very happy if you could find another date.

Yours faithfully

Max

Alex – a good babysitter?

Last Wednesday at 6 p.m. the Bakers wanted to go out to have dinner in a nice restaurant. As they needed someone to look after their son David they hired Alex as their babysitter. It was a really nice evening. Alex and David cooked a delicious meal and they played with cars and puzzles. At 8 p.m. it was time to go to bed for David. It wasn't a problem because he fell asleep very quickly. Alex sat down in the living room and watched TV. After a while he fell asleep as well. Unfortunately, Alex didn't realize David coming out of his room at about 9 p.m. David was happy because he was finally able to play video games without interruption. Later that night the Bakers arrived back home and found Alex asleep on the couch while David sat in front of the TV playing computer games. They were shocked and really disappointed. They had a long talk with Alex and decided not to hire him again.
