Dear Ed Sheeran,

my name is Luisa. I'm 15 years old and I live in Nuremberg. That's in Bavaria, Germany. I've been a true fan of you since that time I started listening to music. You're voice is fantastic and your songs are overwhelming. That's why I'm such a great fan of you. Last year I visited one of your concerts in Germany. It was such an unforgettable evening because my friends and I had so much fun and you looked so good. We really wanted to see you backstage but it wasn't possible. That's why I'm writing to you. Would it be possible for you to send me two autograph cards? The reason why I need two is that it's my best friends birthday next week and she is a great fan, too. It would be a lovely birthday present. Hopefully you will answer my letter. Therefore I'm sending an envelope and stamps, too. Thank you so much in advance. I'm really looking forward to hearing from you soon.

Love  
Luisa

**Cat on Tour**

Last summer the parcel service rang at the Millers' house. Mrs Miller was happy because some new summer dresses she had recently ordered finally arrived. While the Millers were talking to the parcel service guy nobody noticed that their cat "Honey" jumped into the parcel service van. Then the doors of the van closed and Honey was inside. The parcel service drove around all day and delivered parcels to different families. In the evening, when the van was empty the parcel service guy saw Honey sitting in the corner. Fortunately he knew the cat and brought it back to the Millers immediately. When the door bell rang Mrs Miller opened the door and started crying. Earlier that day she had noticed that her cat was gone and she thought that she would never see Honey again.
