Stand-up-Paddeln (SUP): Gesundheit und Sicherheit

Das Stand-up-Paddeln wirkt sich positiv auf die Gesundheit aus. Durch das Stehen auf dem Board trainiert man sein Gleichgewicht und den ganzen Körper. Zudem wird die Rückenmuskulatur gestärkt. Auf Menschen, die besonders gestresst sind, wirkt das Stand-up-Paddeln entspannend und kann somit zu Stressabbau führen.

Zur Sicherheit sollte man beim Stand-up-Paddeln auf jeden Fall die (Fang-)Leine tragen, um mit dem Board verbunden zu bleiben. Bevor man paddeln geht, sollten unbedingt der Wetterbericht und der Gezeitenplan geprüft werden. Ebenso kann es von Vorteil sein, den Freunden Bescheid zu geben, wo man paddelt und ein wasserfestes Kommunikationsgerät mitzunehmen.

D. Text Production

1. Express your own ideas.

Personally I prefer eating out because I like eating exotic food from different countries. Such exotic dishes, for example "Asian food", you can find in various restaurants. When eating out you often meet friends and other people and so you don't have to eat alone. You can just talk and have a good time. For me the most important reason why I prefer eating out is that you don't have to clean the dishes after eating. I hate the cleaning afterwards when cooking at home.

Dear Mr Tiller,

We are happy to inform you that the sportscamp will take place at our school "Mittelschule Münchberg" this year and we would like to invite you and your students. It will take place from 26th July until 30th July this year. Of course there will be many different kinds of sports like baseball, basketball, tennis, football and cricket. The students have the possibility to sleep in our school gym or they can put up a tent in our school garden. In the gym they will also find showers and toilets. Our caretaker will prepare breakfast and a lunchbox. In the evenings our teacher Mrs Müller is cooking a meal. Moreover, our teachers also created a great leisure program. In the freetime your students can either spend time with the other students at school or they can visit German families and get to know the foreign culture.

Could you please give us some information about how many students and companions will visit our sportscamp? We also need to know when you and your students will arrive and if there are any special wishes regarding food.

We are really looking forward to hearing from you soon and will be happy to welcome you at our school.

Best wishes

Cheese-rolling competition

Last May we spent our final school journey in England. We went on a bike tour and stayed at a campsite where we put up our tents and made a fire with melting marshmallows. That was great. One sunny day we visited a famous cheese factory. The owner was waiting for us and told us to come inside. She informed us about a cheese-rolling competition which is a famous event in England and takes place every year. Of course we decided to take part.

The next day we all went to the competition. There were so many people watching us which was a bit weird but we got used to it. The cheese-rolling competition was so much fun. We laughed a lot. In the end a student of our school won the competition. Lisa was so happy. She stood on a winners' podium and got a cup and a yummy cheese. Many people celebrated her and took photos. It really was a great time in England with so many impressions.
