The man is made of fruits and vegetables
that grow in autumn.

His nose is a pear.
His ear is a mushroom.
He has got an apple as his cheek.
His hair is made of grapes.
He has got a pumpkin as a hat.
On his head is a crown made of vine leaves.
His mouth is a chestnut.
His neck is made of a turnip, a carrot and a potato.

Autumn - Giuseppe Arcimboldo (1526-1593)
