

W2 Lost in Wales

● Here's a map of Wales. Some things are lost and you must find them. Play with a partner. First find out how many boxes you have to hide Sam, the two sheep, the Welsh Dragon, the leek and the daffodil on the map. Then ask for example: "Is someone or something in A3?" or "Is there a sheep in N7?" Your partner will say: "Yes, there is." or "No, there isn't."
