

W2 The If-Game

You will play a game. Take turns. Take a card. Sometimes, you have to complete a sentence to make a correct if-clause. Use your own ideas. Sometimes, the card tells you what to do. Make up an if-clause.

If you could interview one famous person, who would it be and why?

If you won the lottery, what would you buy?

If you saw that someone was stealing something at school, how would you react?

If you were able to travel back in time, what age or year would you visit and why?

If it was your turn to make lunch, what would you cook?

If you could invite any four people – living or dead – to dinner, who would you invite and why?

If you found a purse in the street with 100 Euros in it, what would you do with it?

If you were your parents, what would you do?
